BEAUTIFUL OHIO

The finest and most beautiful decorative gladiolus offered to the public in a generation. Strong and healthy grower with no crooked spikes. My low introduction price has carried the fame of this variety for and wide as many people have been able to buy it and grow it. Invest in this beautiful new gladiolus and be assured of satisfaction on your investment. BEAUTIFUL OHIO was shown 6 times at major shows in 1937 and won 6 blue ribbons—a perfect score.

This glorious glad must be seen to be appreciated. It's substance is the very best to be had in a gladiolus and the keeping qualities are excellent. The extreme heat of the mid-west does not cause it to deteriorate.

The NATIONAL GLADIOLUS SOCIETY awarded us a special merit trophy for the display of BEAUTIFUL OHIO which won First Place in the 100 square feet class at the National Show in Columbus, Ohio the past season.

With the modern trend toward decoratives in the pastel shades at it's height, you will be abreast of the times with BEAUTIFUL OHIO. Invest NOW in this fine new modern variety that has been accepted as the best new decorative type—BEAUTIFUL OHIO.

Beautiful and rare color best described as tyrian pink—most sought by florists. Five to eight perfectly placed florets open at once with the remaining buds blooming out in EVEN color.
